

Gender Identity Clinic – getting involved as an attendee of the clinic

As the number of people attending the clinic continues to increase, it is very important that we have active and representative involvement from our current and former service users. A lot of this can now be done electronically, as well as there being opportunities for involvement in person for those who can access the clinic more easily. We already take your post-appointment feedback very seriously and would like to build on this.

Would you be interested in being contacted by email for any of the following?

Please tick as many boxes as you wish – you are not committing to anything but will be invited to participate when opportunities arise.

- Giving feedback on clinic leaflets
- Participating in interview panels for new staff
- Providing suggestions as to how we can improve the clinic
- Providing feedback on the new clinic website
- Commenting on clinic policies when they are in draft form
- Helping to deliver teaching as an expert patient to trainees
- Having my photograph taken for the website

First name _____ Surname _____

Preferred first name _____

Date of birth (day / month / year) _____

Preferred pronouns (she, he, they, ze etc) _____

Email address (or preferred method of contact if not by email)

I prefer to be called a **patient / service user** of the clinic (please delete as applicable)
